

What is the HSA

- We work with the principal to provide programs and processes that engage families in spiritual, educational, outreach, social, legislative, public relations, service, and fundraising activities that further the mission of SMCS.
- We help parents, school administration, and faculty develop a mutual understanding and appreciation of the mission of Catholic Education as lived in SMCS and the Archdiocese of Baltimore.
- We provide a formal avenue for parents/caregivers of current students to participate with the faculty and administration in their children's education.
- We develop supportive systems of communication and service to SMCS.
